

# Brownstown Middle School

## 6<sup>th</sup> Grade Course Selection

Student Name: \_\_\_\_\_

(Please print clearly)

Elementary school: \_\_\_\_\_

Con Dear Fifth Grade Parents,

Congratulations, your child is heading to middle school! In the next week, you and your child will be making a decision regarding his or her exploratory class options for 2019/2020 school year. Listed below are the core academic classes as well as the three exploratory package options to choose from. On the back of this letter is a course description for each of our Exploratory classes. Please thoroughly discuss these options with your child and make a selection that you and your child will be happy with.

Most children are at least a little concerned about starting middle school. You are a big part of helping make the transition from elementary school to middle school a success. Start talking with your child about what they are most excited & worried about as a first step in easing his/her concerns. I have met with your child today and discussed my role as a counselor, making good choices, classes that are offered to them, and answered many student questions. Your child will also be attending 6th grade orientation when they visit Brownstown Middle School in May. I look forward to being your child's counselor for the next two years!
